# Surflo® Winged Infusion Set

## Smooth placement

Terumo® cannula technology ensures an outstanding sharpness combined with a special silicone coating allowing an easy and smooth placement.

## Ease of use

The user inspired design of the large and interlocking wings ensures a firm grip during placement. Colour coded wings and kink resistant tubings provide additional ease of use.

## Patient comfort

The excellent quality of the Terumo® cannula is at the core of minimising trauma. Patients reported having experienced an almost painless placement.

## User satisfaction

The design and performance of the Surflo® winged infusion sets are supporting a successful placement and increasing end-user satisfaction due to less discomfort caused to patients.

## Instructions for use

After successful infusion, hold the winged needle in place.

Withdraw the winged infusion set carefully from the vein.

Dispose the winged infusion set after use into a disposal box.

## Products and specifications

Code	Colour	Cannula - external Ø		Cannula length	Tubing length	Dead space mL	Packaging
		G	mm				
SV-18BL	Pink	18	1.2	19 mm	300 mm	0.44	10 x 50
